

FIBER FILM™ PS PRO

Cling-to-Slip
Balance

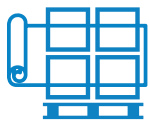

Controlled
Elasticity

Pre-Stretched Film for Efficient, Effortless Pallet Wrapping

The **FIBER FILM™ PS PRO** films are ergonomically designed to **stretch and unwind easily**. They offer an optimized **cling-to-slip balance, making it easier to find the film's edge** and ensuring **more forgiving handling through improved elasticity**, resulting in efficient pallet wrapping.

The **FIBER FILM™ PS PRO** series delivers excellent performance, providing **high holding force and superior load stability**.

No breaks during the
wrapping process

Designed for both manual
& machine applications

Worry free performance,
with uninterrupted wrapping

Lower weight with more
competitive price

Minimized palletization
costs

Sustainable
and Recyclable

FIBER FILM™ Product Series and ORO™ Concept are MEGA PLAST Industrial-Exporting S.A. brands. In an effort to improve our products, our company reserves the right to modify any of the technical specifications included here without giving any notice.
